ALEXANDRIA, VA. SATURDAY EVENING, APRIL 2, 1910.

PRICE 2 CENTS

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heartburn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from **biliousness**, or liver with indigestion. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz., Golden Seal root, Stone root, Black Cherrubark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of such ailments: Prof. R. Bartholow, M. D., of Jefferson Med. College, Phila.; Prof. H. Wood, M. D., of Univ. of Pa.; Prof. J. M. Hiale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. D., Author of American Dispensatory; Prof. M. D. Scudder, M. D., Author of Specific Medicines; Prof. Laurence Johnson, M. D., Med. Dept. Univ. of N. Y.; Prof. Finley Ellingwood, M. D., Author of Materia Medica and Prof. in Bennett Medical College, Chicago. Send name and address on Postal Card to Dr. R. V. Pierce, Buffalo, N. Y., and receive free booklet giving extracts from writings of the above medical authorities and many others endorsing it, in the strongest possible terms, each and every ingredient of which "Golden Medical Discovery" is composed.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. They may be used in conjunction with "Golden Medical Discovery" if bowels are much constipated. There is no cost.

NO MORE OYSTER FLOATING.

Oysters can no longer be fed—or, as the trade term goes, "floated" in brackish water—before they are offered for sale. The Department of Agriculture has ordered that the practice must stop at once. The order affects all the oyster trade in the United States and is of immense importance to dealers.

Recently the department gave a hearing to the oystermen who maintained that the quality of the oyster is improved by the floating process. The Department of Agriculture, however, holds that to float an oyster after it is taken from its bed, provides means for the oyster to take in contamination from the water and offers risk of typhoid.

Oystermen from the New Jersey beds came in an organization 200 strong to Washington a few weeks ago to protest against the order, claiming that its enforcement would mean their ruin.

SENSATIONAL SHOOTING.

A sensational shooting affair took place on the outskirts of Washington N. O., at 9 o'clock Thursday when Samuel G. Taylor, member of one of the most prominent families of that place, was shot three times in a resort. All three shots entered the body of the victim, one passing through his liver and the other two entering his breast, cutting a large artery. Taylor was rushed to a hospital but died on the way. Carl Kelly, who is accused of the shooting, was chased by a large posse with bloodhounds and automobiles. Later he phoned the sheriff from his hiding place and surrendered. He was looked up in jail.

Excitement was intense for about two hours, but subsided. A strong guard was placed around the jail. The cause of the murder could not be ascertained, but a woman is believed to have been the cause.

Fifty years' experience of an Old Nurse. Mrs. Winslow's Soothing Syrup is the prescription of one of the best female physicians and nurses in the United States, and has been used for fifty years with never-failing success by millions of mothers for their children. It relieves the child from pain, cures diarrhea, griping in the bowels, and wind colic. By giving health to the child it rests the mother. Twenty-five cents a bottle.

PORK AND RUM WERE HIGH.

Records yellow with a century's age were unearthed in the office of Clerk of Courts Robert M. McFarland at Butler, Pa., yesterday, which show that a high-cost-of-living crusade was in progress as early as 1804. A document filed with Judge Moore in that year is signed by 100 citizens, petitioning the court to "set a stipulated price on provisions for man and horse and on liquors in the taverns of the county." The petitioners prayed for redress and asserted: "It is the consensus of opinion that 25 cents for a meal of victuals and 12 cents for a half-pint of whiskey is an extortion, as whiskey has been purchased for 40 cents a gallon, pork from 3 to 4 cents a pound and flour for \$2 per hundredweight." The records give no evidence as to whether the prayer, which was led by Michael Martin, was ever answered.

Many Requests from Catarrh sufferers who use atomizers have caused us to put up Liquid Cream Balm, a new and convenient form of Ely's Cream Balm, the only remedy for Catarrh which can always be depended on. In power to allay inflammation, to cleanse the clogged air passages, to promote free, natural breathing, the two forms of Cream Balm are alike. Liquid Cream Balm is sold by all druggists for 75 cents, including spraying tube. Mailed by Ely Bros., 56 Warren Street, New York.

CUPID SPRINGS A PUZZLE.

When Isaac D. Crouthamel, of Philadelphia, married Miss Kate Myers, of Perkasie, the other day he created an interesting tangle. Mr. Crouthamel's father, also named Isaac, carried Miss Myers' mother some time ago, so that the pair are step-brother and sister. More than that, Miss Myers (that was) has her mother's Christian name, and so there are two Mrs. Kate Crouthamels to keep the two Isaacs company. The bride's mother is also her mother-in-law, and the bridegroom's father sees his son's father-in-law every time he looks in the mirror. "We're all Crouthamels now," said one happy participant in the ceremony.

DUST ON SUN.

Star gazers who have looked with suspicion upon the sun and moon and noticed with alarm that for the past few days they have been discolored with red need no longer study on the calendar about when the world is coming to an end. The Weather Bureau says the red is caused by the recent dry spell. The dust particles get into the atmosphere and together with smoke blur the sun and moon.

TO OPEN NEW YORK SHOP.

Mrs. Lawrence D. Ford, former wife of Frank B. Ford, son of former Governor Frank Brown, of Maryland, has announced to her friends in Baltimore,

A WEAK WOMAN AND HER STORY

In Floral, Ark., Lives a Lady Who Feels That Her Strength Was Restored by Cardui.

Floral, Ark.—"I must speak a good word for Cardui," writes Mrs. Viola Baker, of this place.

"About a month ago I was in very bad health. I was so weak and nervous that I was not able to do my housework."

"My husband bought me one bottle of Cardui, the woman's tonic. I took it according to directions and now I am in good health."

"I think Cardui is a fine tonic for weak women."

And you are not the only lady who thinks so, Mrs. Baker.

Thousands, like you, have written to tell of the wonderful benefit Cardui has been to them.

Cardui contains no minerals, or other powerful drugs. It contains no glycerin or other mawkish-tasting ingredients.

It is just a pure, natural extract, of natural vegetable herbs, that have been found to regulate the womanly functions and strengthen the female system.

All druggists sell Cardui.

See yours about it.

N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

she intends to open a millinery shop in New York. Mrs. Ford was Miss Mabel Michael, of Walbrook. Soon after her divorce from Brown, last year, she was married to young Ford, who is a son of Rear Admiral John D. Ford, retired.

DEMAND FOR FAIRFAX FARMS.

The demand for Fairfax farms is active, and steadily increasing. Land buyers are visiting almost every section of the county, and good farms bring fair prices. There is a natural appreciation in value, but prices will go much higher, and it is a wise man who avails himself of the present favorable opportunities to buy at reasonable figures. Prices will undoubtedly advance, and farming lands will never be as low again as they are now.—[Herald.]

APPLE BUDS.

A prominent fruit grower says that on account of the recent warm weather the apple buds are about two weeks more advanced than is usual and a freeze any time up to May 15th will do a great deal of damage. The prospects for a large fruit crop this year are excellent, unless the buds are killed by frost, and as the buds are so far advanced there is much more danger than in the past several years.

BLIZZARD IN AUSTRIA.

The heaviest blizzard in years, accompanied by a heavy snow, has caused immense damage and loss of life in southern Austria. A passenger train was blown from the rails near Muggia and rolled down an embankment, killing four persons and injuring eighteen.

Steamship navigation has been suspended and great damage done in the new harbor. Several steamers of the Austrian Lloyd line narrowly escaped disaster.

Vienna city is suffering greatly from a heavy snowstorm, which has extended over a considerable part of the country. Many accidents are reported and several deaths. Tramway, telegraph, and telephone services are practically at a standstill.

Archibald Allen, 29, was yesterday sentenced to one year in the penitentiary on his plea of guilty of assault in the third degree upon Mrs. Florence Frazer of Atlanta, Ga., whom he attacked and robbed in New York of jewelry worth \$5,000.
